

FOR SALE

Once again I've brought out my last book (for the 5th time!).

I am really depending on your support to help me fund this worthy cause.

I aim to support 6 youngsters in a home all requiring special needs. I intend to help to raise money for a summerhouse in the garden of the home.

£6000+ is needed with £4400 already raised for Christopher and his mates but more is required.

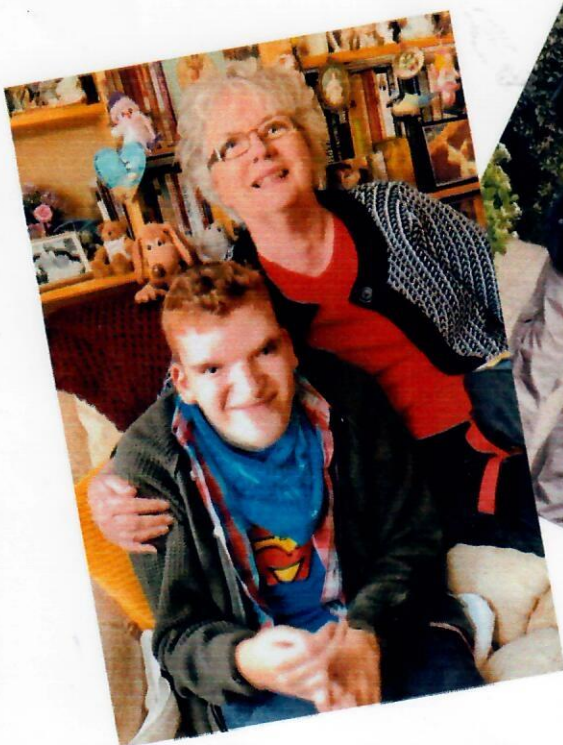

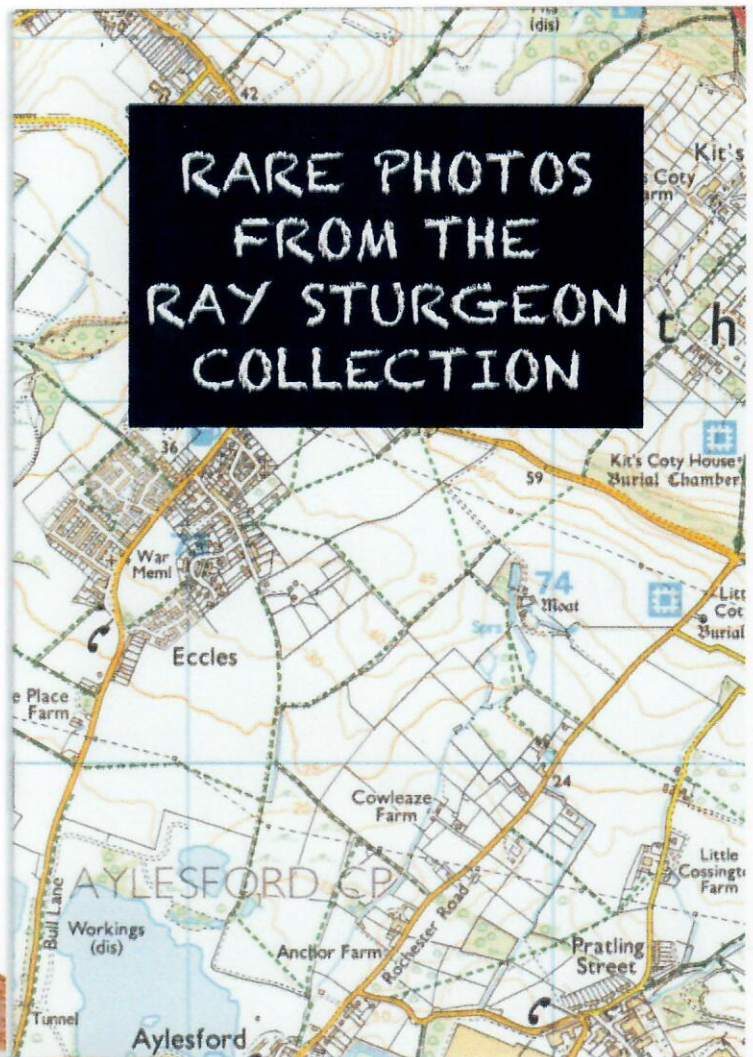

Georgie and Simon, his parents, are doing an amazing job fundraising. Although its hard times, please try to support me.

My book will be on sale for £10 and contains 70+ photos.

More details at a later date.

Many, many thanks.

Ray Sturgeons book of rare photos from Aylesford, Eccles and Burham

Ray is releasing the previously limited edition of his book of rare photos from Aylesford, Eccles and Burham to raise money to build a summer house for disabled youngsters.

All of us have struggled with the restrictions in recent times and none more so than the elderly and disabled, many of whom have been isolated from family and friends for extended periods of time.

All of the proceeds from the sale of this book will go to support the building of this summer house which, in the short term, will enable more contact with loved ones for a group of young people and provide a peaceful haven for them for years to come.

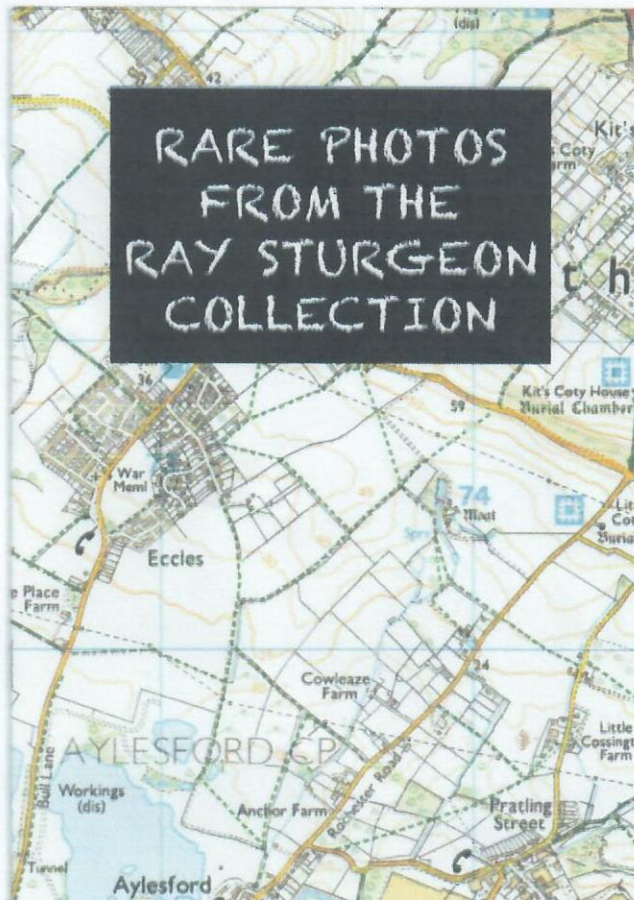

The book will be available to purchase for £10 at:

The Garage Shop at Burham
Eccles Post Office
(hopefully when opened) aylesford Village
Pantry
Directly from Ray Sturgeon

Ray is also hoping for local help to sell copies so if you think you can help get in touch directly with Ray.

Many thanks for your ongoing support
